

Notes Isosceles Triangles

Name: _____ Date: _____ Period: _____

Learning Target: _____

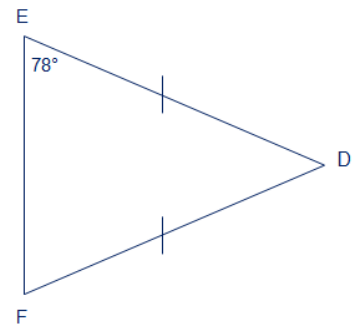

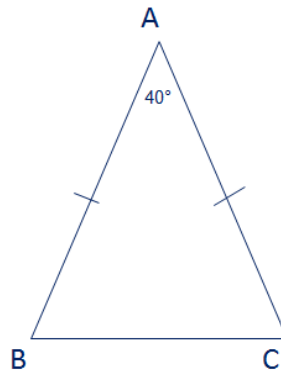

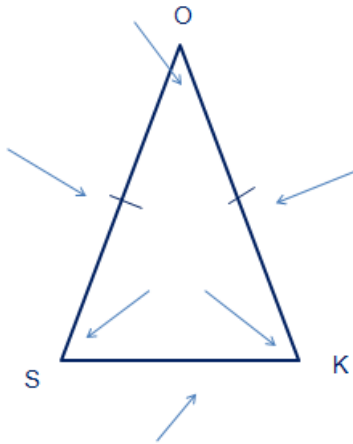

Isosceles Triangle: _____

Isosceles Triangle Theorem: _____

Parts

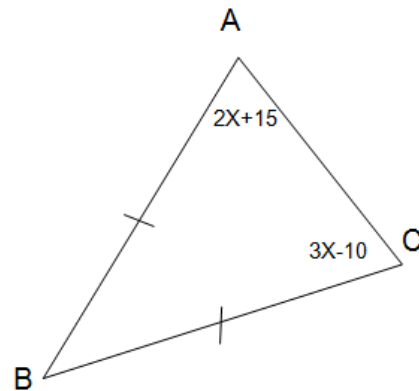

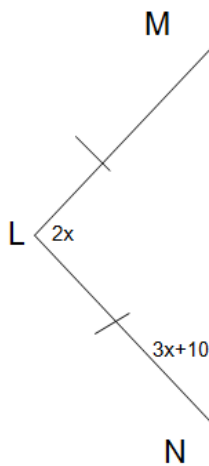

Example 1:

Example 2:

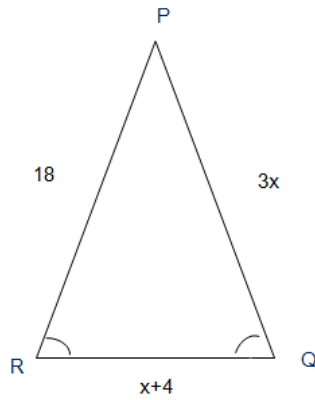

Example 3:

Example 4:

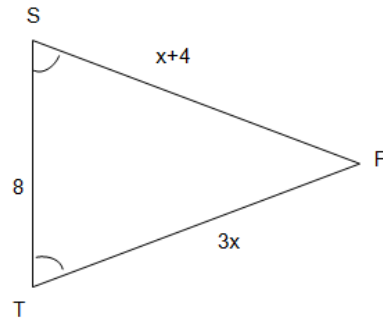

Converse of Isosceles Triangle Theorem: _____

Example 5:

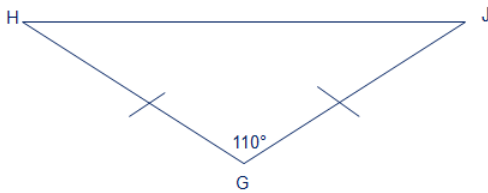

Example 6:

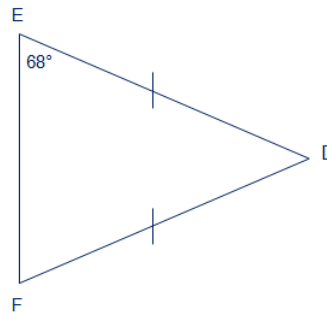

Show me you can do it!

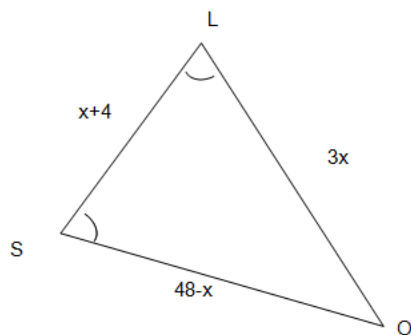

Practice 1: Find all the angles

Practice 2: Find all the angles

Practice 3: Find the perimeter of the triangle

Practice 4: Find the perimeter of the triangle
